GROUND^{ED}

SPRAY APPLICATION DEPOSITION AID

*ACTIVE INGREDIENTS:

Proprietary Blend of Aliphatic Hydrocarbons, Hexahydric Alcohol	
Ethoxylates and C ₁₈ - C ₂₀ Fatty Acids	99.00%
Components ineffective as adjuvant	1.00%
TOTAL	100.00%

All ingredients are accepted for use under CFR 40, 180.1001(c).

Patent No. 5,906,961

KEEP OUT OF REACH OF CHILDREN

CAUTION

See Inside Panel for Additional Precautionary Statements.

PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Avoid contact with formulated product. Do not take internally. Avoid contact with or inhalation of the spray mist. Follow all precautionary statements on the accompanying pesticide(s) label(s).

WHAT TO DO IN CASE ON CONTACT:

If on skin: Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation persists.

If swallowed: Do not induce vomiting. Immediately call a physician.

If in eyes: Flush eyes with clean water for 15 minutes. Call a physician if irritation persists.

If inhaled: Move to fresh air and call a physician, if irritation develops or persists.

If contact is made with the spray solution containing pesticides, follow the "Statement of Practical Treatment/First Aid" on the pesticide label.

STORAGE AND DISPOSAL

Store in original container only. Keep container tightly closed. Do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame.

Do not store with oxidizing agents or ammonium nitrate.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and add rinsate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

GROUND^{ED}® is a specialized blend of surfactants and aliphatic hydrocarbons designed to enhance the deposition and absorption of both ground and aerial spray applications. Subject to the cautionary statements set forth in the Directions for Use, GROUND^{ED}® may be used with both pesticide and/or fertilizer products. The addition of GROUND^{ED}® to a spray tank may improve the spray application by reducing splash and subsequent scattering of the spray droplets on equipment and nontarget surfaces. Efficacy of fertilizer and pesticide products may be improved by increasing absorption of the applied spray mix by soil resulting in a reduced potential for leaching away of the active ingredient. It may also be useful in increasing the rate and degree that the applied pesticides and/or fertilizers are absorbed by plant surfaces.

GROUND^{ED}® is particularly effective with some herbicides in sandy soils that are low in organic content. Optimum application and effects, however, can be influenced by the crop, pest, spray equipment, soil type, spray volume, pressure, droplet size, and

Disclaimer: Always refer to the label on the product before using Helena or any other product.

environmental and other factors. Consequently, it is recommended that careful observations of the spray application be made and GROUND^{ED}® rates adjusted accordingly.

DIRECTIONS FOR USE

FOR USE WITH PRODUCTS REGISTERED FOR: AGRICULTURAL, AQUATIC, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND, ORNAMENTAL, RIGHTS-OF-WAY, TURF AND OTHER USES.

The addition of additives to some pesticides, fertilizers, and tank mixes may cause phytotoxicity to the foliage and/or fruit of susceptible plants. Prior to the addition of GROUND^{ED}® to fertilizers and pesticides where the addition of surfactants is not specifically recommended but not prohibited by the manufacturer, the user or application advisor must have experience with the combination or must have conducted a phytotoxicity trial.

For ground applications of GROUND^{ED}® with ground applied pesticides, use 1 - 4 pints per acre in 5 - 30 gallons of spray.

For aerial applications of GROUND^{ED}®, use 6-16oz/acre. A minimum of 1.0% by volume is recommended for Aerial and Low Volume spray applications.

NOTE: The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher or lower rates for optimum effect. Follow the pesticide label directions when this occurs.

CAUTION: Do not mix oxidizing agents unless oxidizing agents are in solution.

MIXING

Prior to any pesticide application all spray mixing and application equipment must be cleaned. Carefully observe all cleaning directions on the pesticide label.

Fill spray tank one-half full with water and begin agitation. Add pesticides and/or fertilizers as directed by labeling or in the following sequence:

1. Dry flowables or water dispersible granules
2. Wettable powders
3. Flowables
4. Solutions
5. Emulsifiable concentrates

and continue filling. Add GROUND^{ED}® last and continue agitation.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
